

## **Directions to Scotch Creek Cottages**

Finding us on map software: Our physical address is 4044 Express Point Rd Scotch Creek, BC. If you are entering a postal code you will want to use V0E 3L0 which is the postal code for closest Scotch Creek Addresses (this is not our mailing address postal code as our mailing address is on a RR out of Chase). Closest intersection which is labeled on most maps is Express Point Road and Jordan Way. Longitude and Latitude of our front gate as shown on Google Earth are 50°54'12.39"N and 119°26'35.42"W.

From Vancouver: Take the Trans Canada Highway to Hope. At this point you have a choice to coming the Coquihalla Highway or the Trans Canada to Kamloops. Coquihalla Highway is a four-lane easy drive. The Trans Canada Highway is a very beautiful drive through the Fraser Canyon, but is substantially longer.

From Kamloops: Take the Trans Canada Highway past Chase and the Little Shuswap Lake. Right after the Little Shuswap lake watch for signs that show the North Shore recreation area, Scotch Creek, Celista, and Anglemont. You will make a right turn up a hill and circle onto the bridge that takes you over the highway and across the river.

From Calgary and Salmon Arm: Follow the Trans Canada Highway, through Sorrento and along side of the lake and river. Watch for the signs that direct you across the Squilax Bridge to the North Shore, Anglemont and Celista. From the TCHighway you will be making a left hand turn onto the road that takes you up a hill and onto the bridge that goes over the highway and across the river.

For Everyone: You follow this highway for approximately 19 km. On your way you will pass by the turn off for the Quaaout Lodge, (where you can learn a little history of our native people), the turn off for Adams Lake, and the turn off for the Haig Brown Park. You will go over the new two lane bridge across the Adams River (our world famous salmon run river) and a one-lane (yield to the on coming traffic) bridge over the Scotch Creek just before you arrive at the town of Scotch Creek.

As you enter Scotch Creek, on the right is the fire hall, and a small shopping plaza with pharmacy and the medical office, and on the left is the new Super Valu Grocery Store. The main highway bends to the left follow main road around bend then turn right after the Home Hardware on Jordan Way, towards the lake. Drive to the end of Jordan, and turn left on to Express Point Road. Our address is 4044 Express Point Road; we do have a sign at our entrance which is on the right hand side of the road.
